

Senior Operations Site Technician

Stockport – Full Time

Salary £20000 - £30000 per annum depending on experience.

Japanese Knotweed Control is a leading specialist provider to the construction and amenity industry and for over 10 years they have provided the most thorough and effective solution to treating Japanese Knotweed, Giant Hogweed and Himalayan Balsam and other non-native plant species. They are experts at the removal and control of invasive plants and their clients include major construction companies, local authorities and major retailers.

Work activities

As a 'Senior Operations Technician' your duties could include:

- Visiting sites on a pre-determined call cycle to inspect historic sites for the presence on non-native plants and reporting data back to head office.
- Working on own and managing a small team of operatives and sub-contracted labour to complete tasks within JKC guidelines.
- Attending sites and administering herbicide under NPTC regulations and following JKC strict herbicide policies.
- Assisting colleagues and management on construction projects, supervising excavations and installing membranes, soil sifting and general site duties whilst adhering to the JKC health and safety policies.
- Vegetation clearance, brush cutting and general site clearance.
- Attending regular external and internal training courses and product updates.
- Ensuring that company vehicles and equipment meet internal and external inspection requirements.
- Managing own time effectively to ensure that the job requirements are fulfilled especially during busy periods.
- Liaising with clients and colleagues and being the representative for JKC.

Working hours and conditions

This is a full time position working Monday to Friday and may include occasional weekends during busy periods. Based on a 37.5 hour working week with occasional overtime and/or time of in lieu during busy periods. 20 days annual leave plus bank holidays.

Work is nationwide with regular stays away from home. Accommodation, evening meal and breakfast will be included.

Company van/vehicle provided for business use.
